

ABDUL AHAD

Web developer

PROFILE

Enthusiastic and motivated entry-level Web Developer with a strong foundation in software engineering and a keen interest in front-end and back-end development. Completed a comprehensive web development program and eager to apply theoretical knowledge in a practical setting. Proficient in HTML, CSS, and JavaScript, with hands-on experience using React and Node.js.

WORK EXPERIENCE

- Developed several practice projects focusing on front-end and back-end web development using HTML, CSS, JavaScript, React, and Node.js.
 - Implemented responsive designs using frameworks like Bootstrap and Tailwind CSS.
 - Actively engaged in self-directed learning, exploring new technologies and frameworks to expand skill set.
